### **English Breakfast**

A traditional, strong, loose leaf English Breakfast, the blend reformulated for us by Rare Tea Hunter Phil Mumby. A small-leaf, high-quality Assam tea from the Hajua garden blending with two stunning teas from Kenya from the Kaimosi™ estate and Kapchorua™ estate, plus a small proportion of China's traditional Yunnan Dian Hong to give it the Canton Tea Co twist. It's smooth, brisk, fresh, robust - exactly what a traditional EB should be

### **Classic Earl Grey –**

Velvety Yunnan black tea from China, blended with high grade bergamot oil and studded with pretty blue cornflowers. This classic afternoon tea has a rich, soft flavour balanced with bright citrus notes. Brew longer and stronger to drink with milk.

### **Organic Wild Rooibos –**

This rare, wild South African Rooibos (or Red Bush) is naturally caffeine-free. Packed with antioxidants, it has a rich, malty flavour with smooth, soft fruit notes and a nutty sweetness. Produced by a co-op in remote Wupperthal, Cedeberg province.

### **Organic Lemongrass and Ginger –**

Packed with slithers of bright, Egyptian lemongrass and chunks of organic ginger. This infusion is a balance of warm spice and refreshing citrus flavours, softened and sweetened by a hint of liquorice root. Naturally caffeine-free

### **Moroccan Mint –**

This organic mint tea is a traditional mix of superior Gunpowder green tea from China, blended with Egyptian spearmint and peppermint. The smooth, fruity green tea notes are brightened by the zesty, refreshing mint leaves.

### **Jade Tips –**

Jade Tips (Mao Jian) is made from the small young green tea leaves that grow high in the cool, misty mountains of Fujian, China. The liquor has a clean, refreshing flavour with green bean notes but soft and smooth with a sweet finish.

### **Organic Chamomile –**

A smooth, soft infusion with a mild apple-like aroma. Naturally free of caffeine, ideal after an evening meal or before bed.
